MMMAC Daddies

(No Affiliation With Mac Daddy's)

By Malcolm, Michael, Mikayla, Alysha, and Cameron

MMMeet the Team

Michael Moran: Project Manager

Malcolm Shepherd: Backend Developer

Mikayla Stewart: UX Designer

Alysha McCullough: Frontend Developer

Cameron Norton: Backend Developer

Did you know, ⅕ MAC things are forgotten and lonely? There are MAC items that need a loving home.

You can help get involved.

Our Organization

Giving lost "MAC" things a home!

- Macintosh (computer and fruit)
- Macaroni (and cheese)
- Big Mac
- Macadamia
- Mackerel
- Macaque (the monkey)
- Macaw (the bird)
- Emacs
- Macklemore
- John Carmack

"Membership Site"

- A site enticing visitors to join our organization
- A merch store
- Event page
- About us / Mission statement
- Fake socials
- A place where one can donate to our cause
- A free shirt if you join our cause :D

High Quality Mockup

Technology

- JQuery for interactive elements
- HTML/CSS
- Back-end Database for member accounts as well as database for current items up for adoption.
